All deposits paid are non-refundable. However, deposits will not be lost if you re-schedule your appointment within 72-hours. The deposit amount will be deducted off your final bill on the day.

A patch test will be required. This can either be sent to you by post for you to perform at home (once the pigment has been applied, I will require a photo for your medical records), or get in touch and I can do this for you at the salon.

What Next?

Once you have had your treatment, I will thoroughly explain the aftercare procedure. You will also receive instructions in the form of a handy booklet that you can refer to at home, along with some little aftercare goodies to help keep your brows at their brilliant best!

I very much look forward to welcoming you to The Beauty Shack for your Microblading appointment, but if you have any questions in the meantime, please don't hesitate to get in touch with me.
