## SEMI PERMANENT MAKE-UP SKIN TEST

Please note that this skin test must be carried out at least 24 hours before your appointment.

- ✦ *Ensure that hands are thoroughly washed and clean before using.*
- ✦ *Twist the end of the blue lancet and pull.*
- ✦ *Ensure you have a cotton bud ready to apply pigment behind the ear.*
- ✦ *Using the sharp end on the lancet, lightly prick / scratch one small area behind the ear.*
- ✦ *Cover this area with a small amount of pigment using a cotton bud to apply.*
- ✦ *Throw away after use.*
- ✦ *Leave pigment for 24 hours and avoid washing off.*
- ✦ *When pigment is applied, please take a photo and forward this to us for your medical records.*
- ✦ *If an allergic reaction occurs please wash pigment off the skin thoroughly and seek advice from your GP.*

Thankyou for booking with The Beauty Shack.

We can't wait to meet you!
